

### Purpose of the approved form

The *Public Health Regulation 2012* (the Regulation) requires occupiers to ensure that local government authority is notified of the following changes to their cooling water system and warm water system: notification of installation (within 1 month), change of occupier (within 1 month), and any change in particulars (such as change in occupier, within 7 days). Notification is also required for warm water systems installed in public hospitals, declared mental health facilities, private health facilities, and nursing homes.

This approved form must be completed in accordance with section 31 of the *Public Health Act 2010* and clause 13G, 13T, and 13Y of the *Public Health Regulation 2012* (the Regulation). Further information on the process and timeframe for notification is provided in the *NSW Guidelines for Legionella Control in Cooling Water Systems*, available at [www.health.nsw.gov.au/environment/legionellacontrol](http://www.health.nsw.gov.au/environment/legionellacontrol)

### Notification of installation or change in particulars
