- Development Consent or Complying Development Certificate is in force with respect to the building
- A Construction Certificate has been issued with respect to the plans and specifications for the building
- The building is suitable for occupation or use in accordance with its classification under the Building Code of Australia. The building will not constitute a hazard to the health or safety of the occupants of the building.
- Any preconditions to the issue of the certificate that are specified in a Development Consent or Complying Development Certificate, or any requirements of a planning agreement referred to in section 93F that, by its terms, are required to be complied with before such a certificate is issued have been met.

The following information must accompany the application:

- Fire Safety Certificate (Final or Interim) must be submitted for all class 1b and 2 to 9 buildings
- Any relevant Compliance Certificates
- A statement from a suitably qualified person certifying that the BASIX commitments have been incorporated into the development (when applicable).
- Other supportive certificates as required (e.g. termite, glazing, smoke alarm, waterproofing, structural and fire safety installation certificates etc) which formed part of the Development Consent, Complying Development Certificate, Construction Certificate or requested, by the Principal Certifier, during the construction process.
- An itemised list of documents accompanying the application.

Owner(s) Details and Declaration (enter details of all owners below)

- All owner(s) of the land, the subject of this application, must sign this form. If you are not the owner of the land, you must have all the owners sign the application.
- If signing on the owner's behalf, please state your legal authority and provide documentary evidence (e.g. copy of power of attorney, trust deed etc).
- In the case of land that is the subject of a strata scheme under the [Strata Schemes \(Freehold Development\) Act 1973](#) or the [Strata Schemes \(Leasehold Development\) Act 1986](#), the owners corporation for that scheme must be constituted under the [Strata Schemes Management Act 1996](#). A development application for a lot in a strata plan does not require the consent of the Body Corporate when that work does not affect any common property.
- In the case of land that is a community, precinct or neighbourhood parcel within the meaning of the [Community Land Development Act 1989](#), the association for the parcel must provide consent.
- If signing on behalf of a corporate body or company, the application should be signed by an authorised person under common seal and the position of that person in the corporate body or company must be stated on the form. Alternatively, the Common Seal is not required if two Directors or authorised persons sign the application form, or if you are a sole Director.
