Odds and Evens explained – if you street number is odd you can water on odd numbered days, if it is even you can water on even numbered days. Excerpt from table 5 of Singleton Council's Drought Management and Emergency Response Plan. WSAP refers to Water Saving Action Plan. Full details relating to individual industry restrictions in table 5 of the Drought Management and Emergency Response Plan and the Water Saving Action Plan (WSAP) Guidelines are available at www.singleton.nsw.gov.au or contact Council's Customer Service Team on 02 6578 7290
