## WATER CARTER APPLICATION

Section 68 Part B(2) of Local Government Act 1993 Draw water from a Council water supply or a standpipe or sell water so drawn. Council Policy POL/10066 ☐ New Application ☐ Renewal ☐ Disconnection Amendment **INFORMATION** This Application Form should only be completed after reading Singleton Council Policy No. POL/10066 - Water Carters as the water carter needs to comply with the Policy. Standpipe keys are issued per vehicle and not company. Each key will incur a purchase cost and a monthly invoicing for water usage. If accounts are 60 days overdue with no agreement for payment made, standpipe keys may be deactivated. Singleton Council will need to inspect the water carter to ensure is meets the requirements of the Policy. A fee is charged for this inspection in accordance with Council's Fees and Charges. Vehicles failing a satisfactory inspection may have its key deactivated. Any changes to contact details should be notified to Council immediately. If standpipe keys are not used within a six (6) month period, a letter will be sent and then if no response the key deactivate. During outbreak investigations, Council may deactivate any or all the standpipe keys at any time without notice to key holders. 1.
