

SINGLETON COMMUNITY + ECONOMIC DEVELOPMENT FUND

FUNDING PROPOSAL

GLENCORE

FUNDING PROPOSAL

This application must demonstrate economic, social and environmental benefit to the community within the Singleton Local Government Area

Proposed Project / Activity Information	
Proposed Project / Activity Name	
Stream 1 – Up to Three Year Funding (Minimum \$10,000)	
Stream 2 – One Year Funding (Minimum \$10,000)	
Previously applied for grant funding through the Singleton CEDF	

Which of the program principles does the project/activity address?	
Creating an environment that fosters and supports business, promotes job creation, supports entrepreneurship and diversifies our industry base.	
Supporting and promoting activities that provide personal fulfilment for residents through arts and culture, encouraging personal development and by creating beautiful outdoor spaces.	
Minimising the impacts of social issues such as homelessness and mental health issues.	
Promoting and supporting initiatives that preserve regional biodiversity, minimises waste, support long-term community sustainability and minimises environmental impacts for future generations.	
Providing education and training to create the foundations of a prosperous economy.	
Supporting and promoting sporting activities and events that provide physical development and pathways to excellence.	
Improving infrastructure to a standard equal to or better than what is available in our cities.	

Project/Activity Summary
Provide a brief summary of the proposed project/activity, including how it meets the principle/s you have selected above. <i>Min 150 words – Max 300 words</i>
Does the program support the objective to increase economic growth and productivity in the Singleton Local Government Area? If so, describe how. <i>Min 100 words – Max 250 words</i>

Does the program support the objective to promote health and wellbeing for communities of the Singleton Local Government Area? If so describe how. *200 words*

Detail how the project supports one or more of the Singleton Community Strategic Plan pillars (specifically the listed objectives). *Min 200 words*

Who will be the primary beneficiary of the project/activity? *Min 100 words - Max 300*

What need is being addressed by the project/activity? *Min 150 – Max 300 words*

Provide evidence to substantiate this need for the activity/project. *Max 300 words*

How will the project/activity address the need? *Max 300 words*

Describe the expected long-term benefit of the project/activity for the Singleton Local Government Area. *Min 150 words*
