

## WATER CONSUMPTION AJUSTMENT APPLICATION FORM

### ELIGIBILITY CRITERIA

For a concealed water leak claim to be eligible for assistance, a claim must;

- Involve a significant leakage on the property. A leakage is determined to be significant if the water usage on the water usage account issued immediately prior to the repairs being completed is more than \$400 and/or 2 times greater than the same period in the previous five (5) years daily average consumption.
- Involve a leakage in pipelines, which are undetected. Undetected leakage is defined as occurring within pipeline breaks or connections in the ground, under slabs or within walls etc. and is clearly not visible to the owner.
- Be completed within 20 working days of the water usage account being issued and include;
  - the completion of the Water Consumption Adjustment Application, including a statutory declaration indicating that the abnormally high water usage resulted from an undetected water leak and acknowledgement that subsequent claims under this policy will not be accepted.
  - supporting documentation that the water leak was repaired immediately in the form of a paid statement or paid invoice from a licensed plumber indicating the cause and location of the water leak and that it has been repaired. In the case where a plumber was not employed, a statutory declaration by the owner with the equivalent details and receipts for any materials used.
- Where water usage charges are less than \$400 and/or 2 times greater than the same period in the previous five (5) years daily average consumption and financial hardship is being experienced; customers may seek relief under Council's Hardship Policy.
