

CONSTRUCTION UPDATE – TOWN CENTRE UPGRADE STAGE 2 25 SEPTEMBER

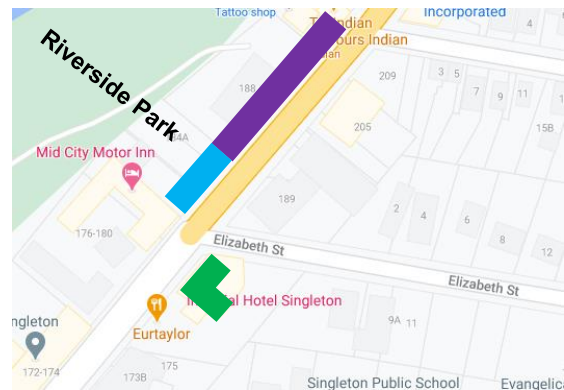

Upcoming works include:

Riverside Park ■

- Barriers on John Street will be extended south along the frontage of Riverside Park Monday 28 September 2020 for 2 weeks during the school holidays.
- **Riverside Park and the Café remain open.** On street parking remains open on the CBD end of Riverside Park and on the opposite side of John St
- Works in this location are being completed during school holidays so that traffic turning into Elizabeth Street (especially buses) will not be disrupted. This is a safety requirement and cannot be completed during the school term.

John Street (west side) between Macquarie and Elizabeth Streets ■

- Barriers that are currently in place on John Street from Elizabeth Street to Macquarie Street will remain in place.
- The kerb and footpath along this section of John Street will be replaced.
- Pedestrian access and access to businesses and facilities will be maintained.
- Traffic conditions in this area will be maintained.

Intersection of John and Elizabeth Streets ■

- Barriers will be placed on the east side of John Street from Monday 28 September to Friday 9 October. Traffic control will be in place during delivery and removal of barriers.
- Elizabeth Street will be realigned during this period to form a straight intersection with John Street.
- Pedestrian access and access to businesses and facilities will be maintained.
- Traffic conditions for the public will be maintained.
- **These works will be completed during the school holiday period as bus traffic is minimal – this work cannot be conducted during school hours.**

For further information please contact our community liaison representative Olivia Power on our 24hr enquiry line 0401 096 484 or email singletontc@robsoncivil.com.au

Thank you for your patience during these works.
